

DO YOU CARE?

I've been campaigning door to door and have surveyed 750 4th Ward residents since May 2009. We're striving to survey 1,000 Northsiders before **ELECTION DAY, NOVEMBER 3RD, 2009.**

(I've personally conducted the majority) Early during this race I met a woman who claimed that not enough people who lived in North Minneapolis care about the community. I told her that I care and that I had met hundreds of people who care this summer. I've met an estimated 1,500 people and most seemed to care. The majority of people I've had conversations with, at their homes, have indicated their support for **NORTHSIDE CHANGE... MARCUS HARCUS FOR CITY COUNCIL!**

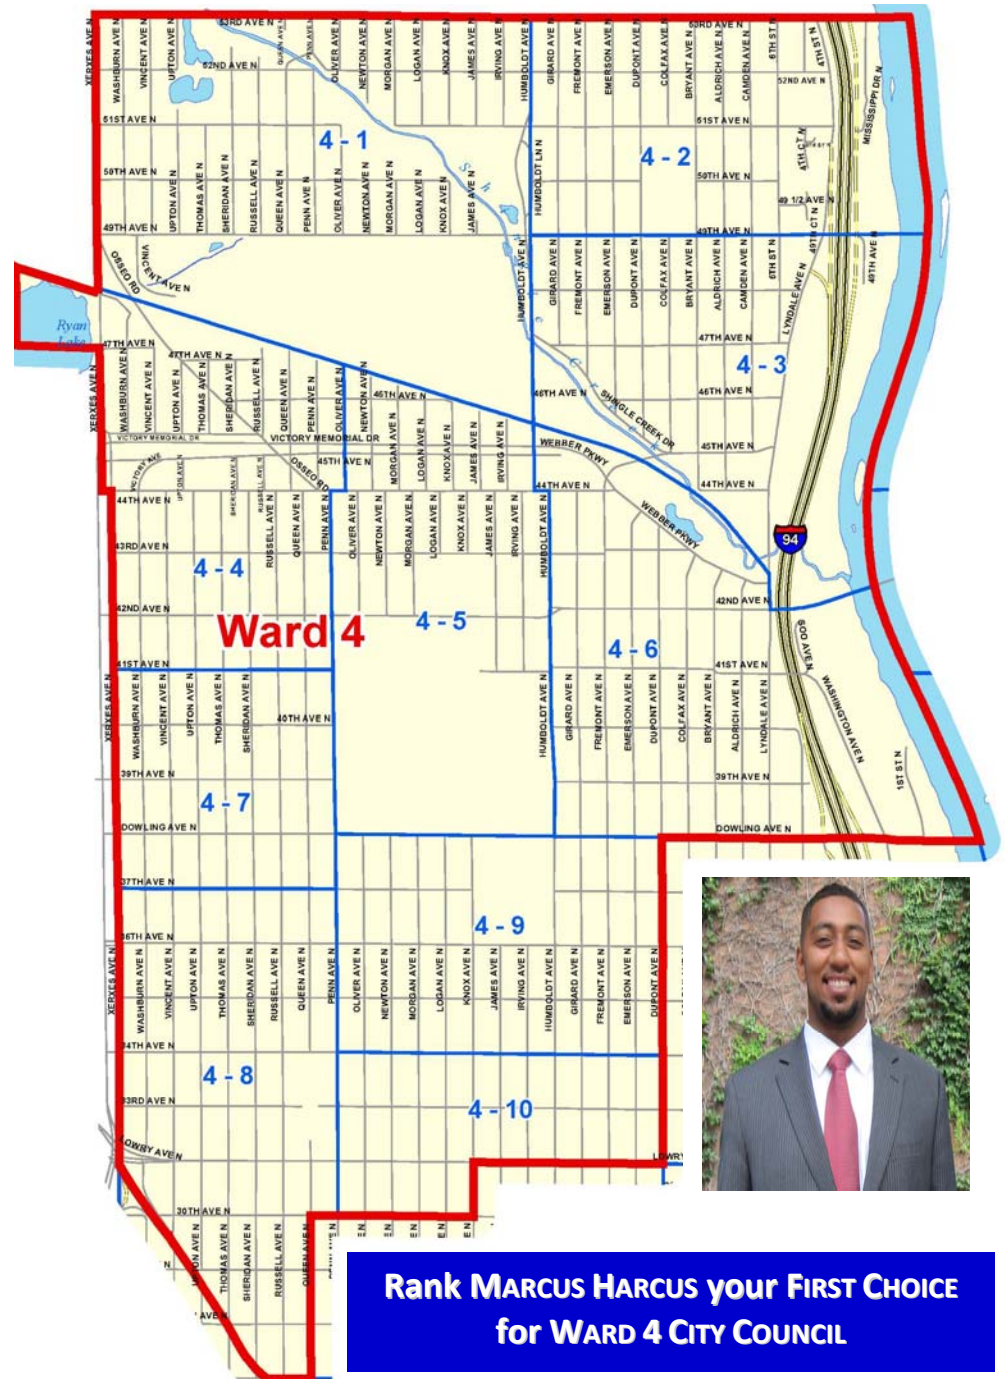

MY GOALS AS YOUR NEXT MINNEAPOLIS CITY COUNCILMEMBER ARE TO:
(1) increase civic participation, (2) hold the city government accountable, (3) promote good neighborliness, and (4) help organize the community to improve social and economic conditions.

In 2005, the incumbent ran for re-election unopposed. The 4th Ward had the second lowest voter turnout in the city, of 13 Wards. There were 16,260 registered voters in Ward 4, but only 3,984 citizens voted. Barb Johnson was re-elected to a third term with only 3,129 of those votes. Many people tell me she is the most powerful politician in the city and that she is unbeatable. I disagree and believe she deserves to be unseated now, replaced with new ideas and energy. She's out of touch.

Ward 4 needs visionary, progressive political leadership!

DO YOU CARE ABOUT THE NORTHSIDE?

Let's make local history this year!

4th Ward residents have the power to provide Minneapolis with its greatest electoral UPSET this year. Our City Council office is not the incumbent's family business. **3 terms is enough for Barb Johnson.** Let's mobilize our personal networks – family, friends and neighbors – to elect progressive political leadership to represent the Northside on the City Council. *Let's collectively stand up to show the city how many Northsiders do care!* Let's get the highest voter turnout in Minneapolis in 2009! **REPRESENT & SERVE!**
